Going To Camp A First First:

It's Like Heaven Dorothy H. Jordan, 2020 In 1982 Dorothy H Jordan founded Camp Sunshine to provide children with cancer a safe normal childhood experience to show them that others share their challenges and to help them find community and support In 1983 approximately forty campers between the ages of seven and eighteen attended the first summer camp held in the north Georgia mountains Thirty five years later more than four hundred campers attended the 2018 summer camp and several hundred more children and family members participated in more than 150 additional recreational educational and supportive Camp Sunshine programs held throughout the year in metro Atlanta Savannah and other areas of Georgia Today Camp Sunshine a nonprofit organization has hundreds of dedicated volunteers who help the leadership staff of the camp with its multiple year round programs as well as pediatric oncology nurses and other medical professionals who take care of the campers medical needs while they attend those programs It s Like Heaven documents the story of the first thirty five years of Camp Sunshine through the voices of campers their nurses counselors and other volunteers Each chapter is a former camper s first person story about childhood cancer and the Camp Sunshine journey followed by reflections on the camper s experience by the camper s nurse or another member of the camp community creating a unique narrative of each camper s struggle and path toward healing Every story includes photos of both the camper and the camper s mentor as well as several photos that illustrate the connections bonds and strength of community created through Camp Sunshine **A**

Slaughenhoupt Jr., 2021-03-11 For fifty years the Camp Cadet program provides young people positive experiences with law enforcement for the primary purpose of improved community relations It is only fitting that the Pennsylvania State Police receive recognition for creating Camp Cadet Unique for its time Camp Cadet was conceived to reach young people differently than previously done by law enforcement This unique program continues within Butler County where it originated and expanded elsewhere throughout Pennsylvania as well as other states Camp Cadet brings youth together with law enforcement for the primary purpose of improved community relations The goal was for youth to gain a better understanding of law enforcement through building a better relationship with youth Such a successful program which expanded to other states deserves to be documented For 50 years Camp Cadet provided youth positive experiences with law enforcement The reader will learn about the societal challenges that prompted creating Camp Cadet Never previously reported insights are provided as can only occur by those who began and sustained the program The ups and downs and recollections are envisioned to encourage continuation of this program with a sincere outreach to the youth of America **Downing's Civil War Diary** Alexander G.
