Travers Botu, 2025-10-28 At the dawn of creation a world was born a realm brimming with infinite possibility The gods watched as mortals took their first breath their first steps their first strides toward civilization It was a world meant for greatness for harmony for love and discovery But with every light cast a shadow follows Frae stands at a crossroads teetering between two destinies One path leads to unity where the wisdom of gods and the resilience of mortals forge a future of peace The other descends into chaos where ambition and betrayal unravel the fragile order that binds them all together As kingdoms rise and alliances form so too does unrest festering in the corners of power In the heavens divine forces debate the fate of their creation some seeking to nurture it others to test its worth And in the mortal realm leaders and warriors fight not only for their own survival but for the very soul of Frae itself Will the world rise to its full splendor shaped by the hands of those who believe in hope Or will it fall into the abyss undone by greed corruption and the forces that lurk beneath the surface The answer lies in the choices of gods and mortals alike A sweeping tale of creation and destruction of ambition and sacrifice Frae The Seventh World is a journey into a world on the brink where every action will shape its destiny for salvation or for ruin Chester White Swine Record Chester White Swine Record Association, 1922 **The Golden Book Magazine** Frederica Pisek Field, Mary Elting, 1925 English Herd Book and Register of Pure Bred Jersey Cattle English Jersey Cattle Society, 1923 The American Shorthorn Herd Book ,1912
