

- 6 *It's amazing the way they work together.*  
 It is not normally used as a preparatory subject for noun phrases.  
*The new concert hall is wonderful.* (not *It's wonderful the new concert hall.*)  
 But in an informal style, it can be a preparatory subject for nouns +  
 relative clause.  
*It's wonderful the enthusiasm that the children show.*  
 This is very common with the way . . .  
*It's amazing the way (that) they work together.*  
*It's strange the way you know what I'm thinking.*

The pattern structures with it as a preparatory subject. ▶ 25.

### 7 preparatory it not possible for complements

It can be used as a preparatory subject, or as a preparatory object (▶ 268), but not as a preparatory complement.

*This chair is comfortable to sit on.* (not *not it is comfortable to sit on this chair.*)  
 (to sit on is the complement of comfortable.)

*The impression was given that travel expenses would be paid.* (not *not it was given the impression that travel expenses would be paid.*) (that travel expenses . . . is the complement of the impression.)

## 269 preparatory it: object

### 1 *I find it difficult to talk to you.*

We can sometimes use it as a 'preparatory object'. This happens when the object of a verb is an infinitive or a clause, and when this has an adjective or noun complement. For example, instead of saying '*I find to talk to you difficult*', we prefer '*I find it difficult to talk to you*'.

subject + verb + it + complement + infinitive/clause

*We found it tiring to listen to him.*     *My blister made it a problem to walk.*

*I thought it strange that she hadn't written.*

*George made it clear what he wanted.*

It is quite often dropped from *make (it) clear that* . . .

*The Prime Minister has made clear that he will not allow a free vote.*

Note that this structure is not normally used when there is no adjective or noun complement after the verb.

*I cannot bear to see people crying.* (not *I cannot bear it to see people crying.*)

*I remember that we were very happy.* (not *I remember it that . . .*)

But note the structure *I like/love/hate it when* . . .

*I love it when you sing.*     *I hate it when strangers use my first name.*

Note also the idiom *I take it that* . . . (= I assume that . . .).

*I take it that you won't be working tomorrow.*

### 2 *I found it strange being . . .*

This structure is also possible with -ing form objects.

*I found it strange being in her house.*
