Death Will Have Your Eyes James Sallis, 2014-07-29 Mulholland Books takes pleasure in restoring to print an acclaimed novel of espionage and suspense by the author of *Drive* David as he's currently known was a member of an elite corps of spies trained during the coldest days of the Cold War For almost a decade he has been out of the game working as a sculptor Then a phone call in the middle of the night awakens him the only other survivor from that elite corps has gone rogue David is tasked with stopping him What ensues is an existential cat and mouse game played out across the American landscape through the diners and motels that dot the terrain like green plastic houses on a Monopoly board Both a suspenseful novel of pursuit and a thematically rich exploration of the mind of a spy *Death Will Have Your Eyes* is a contemporary classic of the espionage genre
