The Comic Turn in Contemporary English Fiction Huw Marsh,2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present

The Fictional World of William Hoffman William L. Frank,2000 The Fictional World of William Hoffman provides readers with the first assessment of Hoffman s work Including commentary and analysis from fellow writers as well as from established and emerging critics this collection of essays aims to deepen the appreciation of those already familiar

with Hoffman and to introduce new readers to one of the South's most influential voices **BOOK JACKET** Drawing and Painting Fantasy Beasts Kevin Walker, 2005 A guide to drawing and painting fantasy beasts that uses step by step instructions and illustrations to explain how to create dragons serpents sea monsters trolls and centaurs **Thinking about Stories** Samuel Lebens, Tatjana von Solodkoff, 2023-10-31 Thinking About Stories is a fun and thought provoking introduction to philosophical questions about narrative fiction in its many forms from highbrow literature to pulp fiction to the latest shows on Netflix Written by philosophers Samuel Lebens and Tatjana von Solodkoff it engages with fundamental questions about fiction such as What is it What does it give us Does a story need a narrator And why do sad stories make us cry if we know they aren't real The format of the book emulates a lively verbal exchange each chapter has only one author while the other appears spontaneously in dialogues in the text along the way raising questions and voicing criticisms and inviting responses from their co author This unique format allows readers to feel like they are a part of the conversation about the philosophical foundations of some of the fictions in their own lives Key Features Draws on a wide range of types of narrative fiction from Harry Potter to Breakfast of Champions to Parks and Recreation Explores how fiction despite its detachment from truth is often best able to teach us important things about the world in which we live Concludes by asking in the final chapter whether we all might be fictions Includes bibliographies and suggested reading lists in each chapter
