# Value Line Dividend Select January 2015

**Wolfgang Guggemos**

## **Value Line Dividend Select January 2015:**

The Best Kept Secret to Financial Freedom Robert G. Beard, Jr., 2017-10-24 Are you ready to become wealthy and financially independent Would you like to insure that you maintain your financial freedom Would you enjoy seeing your children and grandchildren obtain financial freedom early in their lives no matter their career choices And would you find satisfaction in the thought of your parents retiring without worrying that they may outlive their money If you answered yes to any of these questions you have come to the right place This book will provide you with the tools necessary to take care of your own financial affairs to help you stay clear of the sharks on Wall Street to outlive your money to attain financial freedom as soon as possible and to maintain your financial freedom regardless of what happens in the markets and the world Let s get started the journey to obtain and maintain financial freedom is waiting for you *The Value Line Investment Survey* ,2009

**The Value Line Convertibles Survey** ,1995 Value Line Convertibles ,1994 **Airport Finance and Investment in the Global Economy** Anne Graham, Peter Morrell, 2016-10-04 While there are a multitude of publications on corporate finance and financial management only a few address the complexity of air transport industry finance and scant attention has been given to airport financial management This book deals exclusively with airport issues to rectify this It does this with an analysis of the theoretical concepts relevant to the subject area combined with a detailed investigation of current practice within the industry Airport Finance and Investment in the Global Economy bridges the gap between much academic research on airports published in recent years lacking much managerial relevance and real world airport financial management This is achieved by featuring expert analysis of contemporary issues specific to airport finance and funding strategies illustrated by worked examples from a wide range of different countries to enhance understanding and create a global perspective The book is designed to appeal to both practitioners and academics Airport specific topics include performance measurement and benchmarking valuation tools for financial control and management alternatives of financing privatisation competition and implications of economic regulation *Handbook of Basel III Capital* Juan Ramirez, 2016-12-06 A deeper examination of Basel III for more effective capital enhancement The Handbook of Basel III Capital Enhancing Bank Capital in Practice delves deep into the principles underpinning the capital dimension of Basel III to provide a more advanced understanding of real world implementation Going beyond the simple overview or model this book merges theory with practice to help practitioners work more effectively within the regulatory framework and utilise the complex rules to more effectively allocate and enhance capital A European perspective covers the CRD IV directive and associated guidance but practitioners across all jurisdictions will find value in the strategic approach to decisions surrounding business lines and assets an emphasis on analysis urges banks to shed unattractive positions and channel capital toward opportunities that actually fit their risk and return profile Real world cases demonstrate successful capital initiatives as models for implementation and in depth guidance on Basel III rules equips practitioners to more effectively utilise this complex regulatory treatment The specifics of

Basel III implementation vary but the underlying principles are effective around the world This book expands upon existing guidance to provide a deeper working knowledge of Basel III utility and the insight to use it effectively Improve asset quality and risk and return profiles Adopt a strategic approach to capital allocation Compare Basel III implementation varies across jurisdictions Examine successful capital enhancement initiatives from around the world There is a popular misconception about Basel III being extremely conservative and a deterrent to investors seeking attractive returns In reality Basel III presents both the opportunity and a framework for banks to improve their assets and enhance overall capital the key factor is a true comprehensive understanding of the regulatory mechanisms The Handbook of Basel III Capital Enhancing Bank Capital in Practice provides advanced guidance for advanced practitioners and real world implementation insight

**Employees and Employers in Service Organizations** Arvind K. Birdie,2017-04-21 With the increasing globalization and fast paced technological advances in business today service organizations must to respond to the changing business dynamic between employers and employees The service industry has metamorphosed into a revolution not only in United States but in developed and developing countries also Highly industrialized countries have become service economies at least when measured in terms of share of the workforce employed in service industries This new book Employees and Employers in Service Organizations Emerging Challenges and Opportunities the first volume in the 21st Century Business Management book series provides an in depth exploration of recent concepts and trends in business management in the service industries It looks at the changing expectations and loyalties of young workers and others and the challenges and opportunities presented for service employers The book considers theory and research findings providing a plethora of practical implications and applications for these new workplace behavior dynamics Exploring the different perspectives and concepts from the book s researchers and authors Employees and Employers in Service Organizations Emerging Challenges and Opportunities cover themes such as work life balance spirituality in the workplace emerging positive psychology concepts such as psychological capital knowledge management and mindfulness expectations motivation and behavior of different generations such as Generation Y This informative volume will be valuable for faculty teaching courses in management and self improvement for leaders and executives as well as for those in service industries **Value Line Options &**
