Grandpa And Thomas:

Grandpa and Thomas and the Green Umbrella Pamela Allen,2006 The sun is shining and the sea is singing Grandpa and Thomas go to the beach But all of a sudden the sun goes the wind blows and the green umbrella flies bowling and bobbing away Another delightful picture book with Thomas and Grandpa from the bestselling award winning Pamela Allen

Grandpa and Thomas Pamela Allen,2018 Grandpa and Thomas go to the beach The sun is shining the gulls are screeching and the sea is singing **Grandpa and Thomas** ,2003 **Model Compositions Series (Primary 6)** Yvonne Ratnam,2015-06-29 The Model Compositions for Primary Level 1 6 series is especially written with young learners in mind and is aimed at exposing them to composition writing in a very user friendly and enjoyable manner on topics related to their everyday experiences as well as close to their hearts The model compositions are carefully selected based on the understanding of how a young mind learns thinks and feels The topic for each model composition is drawn from the experiences thoughts ideas and feelings of young learners The themes are presented in different writing styles This series provides ample and consistent practice for young learners for every level of primary school The variety of themes also enables the learners to be exposed to different topics and areas to write well The first three levels are already published and the next three levels will be completed soon A learner who starts to practice from Level 1 to Level 6 will have covered 1000 model compositions which will no doubt provide a very solid foundation for excellent writing once the learner moves up to junior high school The vocabulary bank of the learner will also increase tremendously across a wide variety of topics and themes Also embedded in this gem is a good selection of children s poems and haiku Idioms similes collective nouns and animal sound enhance and enrich the writing mastery as well as the sophistication of expressions of the young learners as they not only grasp models of sentence structures but also learn to transform their ideas using meaningful vocabulary and common expressions Each composition imparts the underlying values and positive attitudes for character building living a meaningful life and contributing positively to the community hence making a positive difference wherever the learners may be Reflecting 9/11 Heather Pope,Victoria Bryan,2016-06-22 In over fifteen years the cultural and artistic response to 9 11 has been wide ranging in form and function As the turbulent post 9 11 years have unfolded years that have been shaped and characterized by the War on Terror the Patriot Act the Wars in Afghanistan and Iraq 7 7 Abu Ghraib and Guant namo Bay these texts have been commemorative and heroic have attempted to work through collective and individual traumas and have struggled with trying to represent the terrorist other Many of these earlier domestic heroic and traumatic works have so often been read as limitations in narrative This collection however challenges the language of limitation and provides re readings of earlier work but also traces the emergence of a new paradigm for discussing the artistic responses to 9 11 one that frames these narratives as dialogic self conscious and self reflexive interventions in the responses to the attacks the initial representations of the attacks and the ever shifting social and geopolitical continuities of the 9 11 decade These texts

widen the conversation about the lasting impacts of 9 11 and incorporate strands of discussion on American exceptionalism and imperialism torture and otherness whilst still remaining invested in the personal and collective traumas of the attacks The authors included here ask crucial questions about the way 9 11 is being historicized will it for example be read as a moment of rupture or epoch Will it inevitably be attached to the War on Terror or the Wars in Iraq and Afghanistan As they trace the emergent patterns of reflexivity politicization and dissent the contributions here are also implicitly invested in asking how far they extend
