Public Policy and the Arts: A Comparative Study of Great Britain and Ireland Ruth-Balandina M. Quinn, 2018-08-20 First published in 1998 this volume considers the subject of arts policy as a subject of

public policy making proper in UK and Ireland with a particular focus on theatre as a profession rather than a mere hobby Previous studies have placed the burden of policy improvements on the arts themselves looking at what the arts can do to be worthy of government funding and favourable policy and have seen government actions as if they have a uniform effect This study takes the arts out of the abstract and discusses specific ways that diverse activities with even more diverse needs can be best approached with government policy assessing the strengths and weaknesses of government initiatives It is aimed at both political scientists and anyone with an interest in arts and cultural policy

Global warming policy in Japan and Britain Shizuka Oshitani,2013-07-19 This is the first book to attempt a systematic comparison of Japanese and British climate policy and politics and is now available in paperback Focusing on institutional contrasts between Japan and Britain in terms of corporatist or pluralist characteristics of government industry relations and decision making and implementation styles the book examines how and to what extent institutions explain climate policy in Japan and Britain In doing this the book explores how climate policy is shaped by the interplay of nationally specific institutional factors and universal constraints on actors which emanate from characteristics of the global warming problem itself It also considers how corporatist institutional characteristics may make a difference in attaining sustainable development Overall this book provides a new set of comparisons of climate policy and new frameworks of analysis which could be built on in future research on cross national climate policy analysis
