## **Edwin Stanton:**

Edwin Stanton Amy Allison, 2013 This book relates events in the personal and professional life of Edwin Stanton who served as President Lincoln's Secretary of War during the Civil War Lincoln's Autocrat William Marvel, 2015-04-15 Edwin M Stanton 1814 1869 one of the nineteenth century's most impressive legal and political minds wielded enormous influence and power as Lincoln's secretary of war during most of the Civil War and under Johnson during the early years of Reconstruction In the first full biography of Stanton in more than fifty years William Marvel offers a detailed reexamination of Stanton's life career and legacy Marvel argues that while Stanton was a formidable advocate and politician his character was hardly benign Climbing from a difficult youth to the pinnacle of power Stanton used his authority and the public coffers to pursue political vendettas and he exercised sweeping wartime powers with a cavalier disregard for civil liberties Though Lincoln's ability to harness a cabinet with sharp divisions and strong personalities is widely celebrated Marvel suggests that Stanton's tenure raises important questions about Lincoln's actual control over the executive branch This insightful biography also reveals why men like Ulysses S Grant considered Stanton a coward and a bully who was unashamed to use political power for partisan enforcement and personal preservation Edwin Stanton Amy Allison, 2001-01-01 Presents the life and career of Edwin Stanton including his appointment as Attorney General of the United States his job as Secretary of War under President Lincoln and after the Civil War his appointment to the U S Supreme Court *Life and Public Services of Edwin M. Stanton* George Congdon Gorham, 1899 **Stanton** Walter Stahr, 2018-08-28 New York Times bestselling author Walter Stahr tells the story of Edwin Stanton who served as Secretary of War in Abraham Lincoln's cabinet This exhaustively researched well paced book should take its place as the new standard biography of the ill tempered man who helped to save the Union It is fair judicious authoritative and comprehensive The Wall Street Journal Of the crucial men close to President Lincoln Secretary of War Edwin Stanton 1814 1869 was the most powerful and controversial Stanton raised armed and supervised the army of a million men who won the Civil War He directed military movements He arrested and imprisoned thousands for war crimes such as resisting the draft or calling for an armistice Stanton was so controversial that some accused him at that time of complicity in Lincoln's assassination He was a stubborn genius who was both reviled and revered in his time Stanton was a Democrat before the war and a prominent trial lawyer He opposed slavery but only in private He served briefly as President Buchanan's Attorney General and then as Lincoln's aggressive Secretary of War On the night of April 14 1865 Stanton rushed to Lincoln's deathbed and took over the government since Secretary of State William Seward had been critically wounded the same evening He informed the nation of the President's death summoned General Grant to protect the Capitol and started collecting the evidence from those who had been with the Lincolns at the theater in order to prepare a murder trial Now Walter Stahr's highly recommended Library Journal starred review essential book is the first major account of Stanton in fifty years restoring this underexplored figure to his proper place in American history A

**A Great Sacrifice** James G. Mendez,2019-02-05 A Great Sacrifice is an in depth analysis of the effects of the Civil War on northern black families carried out using letters from northern black women mothers wives sisters and female family friends addressed to a number of Union military officials Collectively the letters give a voice to the black family members left on the northern homefront Through their explanations and requests readers obtain a greater apprehension of the struggles African American families faced during the war and their conditions as the war progressed The original letters that were received by government agencies as well as many of the copies of the letters sent in response are held by the National Archives in Washington D C This study is unique because it examines the effects of the war specifically on northern black families Most other studies on African Americans during the Civil War focused almost exclusively on the soldiers *The American Hereford Record, and Hereford Herd Book* ,1901
