Six Frigates: The Epic History of the Founding of the U.S. Navy Ian W. Toll,2008-02-26 From the decision to build six heavy frigates through the cliffhanger campaign against Tripoli to the war that shook the world in 1812 Toll tells the grand tale of the founding of the U S Navy

Perilous Fight Stephen Budiansky,2012-01-17 In Perilous Fight Stephen Budiansky tells the rousing story of the U S Navy during the War of 1812 when an upstart American fleet fought off the legendary Royal Navy and established America as a world power for the first time Through vivid re creations of riveting and dramatic encounters at sea Budiansky shows how this underdog coterie of seamen and their visionary secretary of the navy combined bravery and strategic brilliance to defeat the British who had dominated the seas for more than two centuries A gripping and essential history this is the military and political story of how the U S Navy became a permanent and essential part of the nation s defense

Intrepid Sailors Chipp Reid,2012-10-15 Reid tells one of the greatest sea stories in the history of the U S Navy Under Commodore Edward Preble the Navy came of age fighting the scourge of the time the infamous Barbary Pirates Intrepid Sailors chronicles the Navy s campaign to subdue the pirate leader of Tripoli who declared war on the United States in 1801 After two failed campaigns Preble took command of the U S squadron in the Mediterranean and served notice to world the U S Navy would be a force with which to reckon Among the ships in Preble s flotilla was a non descript little ketch Once a French supply boat the ketch served Tripoli until the U S squadron captured her in 1803 Upon her capture Preble incorporated the little boat into his force re naming her the Intrepid She was the first ship in the United States Navy to bear the name of Intrepid and would play a central role in some of the primary feats of Preble s Boys The exploits of the officers and sailors in this campaign are the stuff of legend In culling myth from fact Reid went back to original sources using the words of the men in the campaign to tell their story Whether it is Decatur leading the daring raid to burn the captured frigate Philadelphia or the escape attempts of American prisoners in Tripoli Intrepid Sailors brings to life a story many Americans once widely knew but that today has become little more than footnote Unlike other books on the topic however Intrepid Sailors delves into the development of officers and sailors under Preble Most were half the age of their commander and few had major combat experience Under Preble these men forged a legacy of professionalism to which the Navy still adheres The book also examines one of the most famous friendships in American and Navy history that of Decatur and Somers Their thirst for glory and utter devotion to making the U S Navy a

permanent respected force inspired all around them but that quest for immortality never caused a breach in their friendship. Instead that friendship grew stronger providing even more inspiration. Intrepid Sailors offers a rare insight into the lives of men who today loom larger than life and who continue to inspire each new class of naval officer. Stephen Decatur, Richard Somers, Charles Stewart, James Lawrence, Edward Preble, and a pantheon of early U S Navy heroes all come to life.
