**The Final Passage** Caryl Phillips, 1995-10-31 From the British West Indian novelist who is rapidly emerging as the bard of the African diaspora comes a haunting work about the final passage the exodus of black West Indians from their impoverished islands to the uncertain opportunities of England In her village of St Patrick s Leila Preston has no prospects a young son and a husband Michael who seems to prefer the company of his mistress So when her ailing mother travels to England for medical care Leila decides to follow her As Caryl Phillips follows the Prestons outward voyage and their bewildered attempt to find a home in a country whose rooming houses post signs announcing No vacancies for coloureds he produces a tragicomic portrait of hope and dislocation The Final Passage is a novel rich in language acute in its grasp of character and unforgettable in its vision of the colonial legacy Like Isabel Allende and Gabriel Garc a M rquez Phillips writes of times so heady and chaotic and of characters so compelling that time moves as if guided by the moon and dreams Los Angeles Times Book Review
