

Weimar and Nazi Germany Exam

Questions Model Answers

Question 1 - Give two things you can infer from Source A about... (4 marks)

1. Give two things you can infer from Source D on page 66 of Hodder about life in Germany under the Nazis. 4 marks

One thing that I can infer about life in Germany under the Nazis was that there was no freedom of speech when criticising or opposing the Nazi Party as there was a constant fear of being arrested by the Gestapo who had informants everywhere. This is because after the woman stated 'Mussolini has more political sense in one of his boots than Hitler has in his brain' and then was swiftly arrested by the Gestapo.

Another thing that I can infer is that life in Germany under the Nazis was filled with distrust and unrest amongst the German people as people constantly turned on each other fearing arrest and imprisonment in concentration camps. This is shown in the quote: 'The remark was overheard and five minutes later the woman was arrested by the Gestapo, who had been alerted by telephone', implying that many people informed on each other because of the fear that the Gestapo would find out anyway and involuntary loyalty.

2. Give two things you can infer from Source E on page 68 of Hodder about the treatment of prisoners in concentration camps. 4 marks

One thing that I can infer from Source E about the treatment of prisoners in concentration camps was that they were objectified and were classified into different categories such as political prisoners, people from minority groups or undesirables. This is shown in the quote: 'They had prisoner's uniforms on, a very wide, striped uniform. My number was 6199', which implies that the Nazis saw prisoners in concentration camps as unworthy and inferior to their supreme Aryan Race.

Another thing that I can infer from Source E about the treatment of prisoners in concentration camps was that they were forced to carry out strenuous physical activities and manual labour. This is shown in the quote: 'An old gentleman ... into his seventies ... couldn't run and he collapsed, and he laid in the road ... stormtrooper stepped on his throat ... till the man was dead'. This implies that the Nazis targeted the weak and showed no mercy to those they didn't favour.

3. Give two things you can infer from Source C about the Hitler Youth. See p80 of Hodder for Source C. 4 marks

One thing that I can infer from Source C is that the Hitler Youth was designed so that all boys were to grow up strong and healthy in order to fight in the German Army. I know this because Source C says 'It's military barracks life! ... Instead we have military exercises'.

Another thing that I can infer from Source C is that Hitler was solely keen to create the 'Thousand Year Reich' rather than doing what was best for the young. I know this because Source C says 'We have practically didn't have a minute of the day to ourselves ... till the tongue hangs out of your mouth. And we have only one wish: sleep, sleep ...'
