God In A Box:

You Can't Put God in a Box Kelly Besecke, 2014 The advent of modernity brought with it a crisis of faith Science had upended the religious certainties of earlier eras and believers in the West were cast adrift Some turned to a strident fundamentalism while more recently growing numbers have shunned religion altogether In *You Can't Put God In a Box* Kelly Besecke offers a fascinating examination of people who have found a middle way what is known as reflexive spirituality Those who practice reflexive spirituality Besecke shows draw equally on religious traditions and traditions of reason in the pursuit of transcendent meaning They prefer metaphor to literalism spiritual experience to doctrinal belief religious pluralism to religious exclusivism or inclusivism and ongoing inquiry to final answers They find inspiration in liberal theologies of any number of faiths and allies among the spiritual but not religious Besecke draws on original qualitative data to describe how people practiced reflexive spirituality in an urban United Methodist church an interfaith adult education center and a variety of secular settings By doing so she provides a window into the theological thinking of educated spiritual seekers and religious liberals and shows how they have come up with a unique way of addressing the problem of modern meaninglessness

The God Box Barry B. Longyear, 2000-10 [Don't Put God in a Box](#) Frank Flynn, 2005-12-13 Does the mind blowing scale of the universe out there scare you Does it confirm in you a conviction that there is no God at least that such a God if he were to exist is altogether unreachable and unknowable or does the magnificence and design of the universe point you to a great creator a living being who created us too a Loving Heavenly Father to whom we can actually relate This short book *Don't put God in a Box* is a personal statement of an ordinary Christian who has also had a scientific education His main thrust is that scientific truths and matters of religious faith can happily coexist side by side and how an honest exposure to the grandeur of the universe can enrich the faith of a believer

God in a Box Frank Callison, 1996 **Blowing the Lid Off the God-Box** Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas
