Growing Up Human:

Growing Up Human Brenna Hassett, 2022-06-30 Brings the science of biological anthropology to bear on understanding how our evolutionary history has shaped a phenomenon everyone has experienced childhood Tracking deep into our evolutionary history anthropological science has begun to unravel one particular feature that sets us apart from the many many animals that came before us our uniquely long childhoods *Growing Up Human* looks at how we have diverged from our ancestral roots to stay forever young or at least what seems like forever and how the evolution of childhood is a critical part of the human story Beginning with a look at the ways animals invest in their offspring the book moves through the many steps of making a baby from pair bonding to hidden ovulation points where our species has repeatedly stepped off the standard primate path From the mystery of monogamy to the minefield of modern parenting advice biological anthropologist Brenna Hassett reveals how differences between humans and our closest cousins lead to our messy mating systems dangerous pregnancies and difficult births and what these tell us about the kind of babies we are trying to build Using observations of our closest primate relatives the tiny relics of childhood that come to us from the archaeological record and the bones and teeth of our ancestors science has started to unravel the evolution of our childhood right down the fossil record In our species investment doesn't stop at birth and as *Growing Up Human* reveals we can compare every aspect of our care and feeding from the chemical composition of our milk to our fondness for formal education from ancient times onwards in order to understand just what we evolved our weird and wonderful childhoods for

- 1 Humans are weird We are the only species that has chosen to live forever and to be forever young We are the result of millions of tiny decisions made by our parents parents parents Our choices today determine what kind of humans we will be tomorrow Let's take a closer look at each of these statements It is a meaningless statement if true but it is far from true The truth is that humans are very weird indeed and it is not just the stuff we do but the kind of stuff we do The world that humans have built has largely been built to keep us alive and to keep us young The foods that humans eat the medicines that humans use the clothes that humans wear all of these have been selected over millennia precisely because they keep us alive and young Humans have been selected to do strange things just because they seem strange to other animals Take sleep deprivation as an example Sleep deprivation is death so it makes sense that other animals sleep all the time They have evolved to need the kinds of functions that require sleep eating sex and the complex interconnections of the brain all require sleep They are weirdly adapted for sleep and they need it

Growing Up Human Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Growing Up Human free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Growing Up Human free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Growing Up Human free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Growing Up Human. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Growing Up Human any PDF files. With these platforms, the world of PDF downloads is just a click away.
