the key points from this book in less than 10 minutes The metaphor of the stress free mind as a still pond encapsulates the message of David Allen s best selling book When a stone is thrown into a pond the size of the ripples correspond to the size of the stone Allen points out that the essence of stress free living is getting the ripples of your mind to correspond with the size of the tasks on your to do list But you don t reach Allen s placid pond via a quiet Zen like path Instead you calm the waters of your mind by building and maintaining a rigid organizational system that s so efficient that you never have to worry about any task once it s been fed into the machine The popularity of this book probably owes as much to the stress level of the book buying public as it does to the level of innovation to be found in Allen s method of organization Often the actual time management techniques that Allen offers can get lost in fancy jargon and fall short of his general observations about stress productivity and the mind But getAbstract recommends this manual for a productive life to anyone looking for help in dealing with stress and an overheating to do list you re sure to end up with a fresh approach or two in your in box Book Publisher Copyright David Allen 2001 Used by arrangement with Penguin a member of Penguin Group USA Inc www penguin com 1 800 253 6476 *Ready for Anything* David Allen,2004-12-28 In his bestselling first book *Getting Things Done* veteran coach and management consultant David Allen presented his breakthrough methods to increase efficiency Now the personal productivity guru *Fast Company* shows readers how to increase their ability to work better not harder every day Based on Allen s highly popular e newsletter *Ready for Anything* offers readers 52 ways to immediately clear your head for creativity focus your attention create structures that work and take action to get things moving With wit inspiration and know how Allen shows readers how to make things happen with less effort and stress and lots more energy creativity and effectiveness *Ready for Anything* is the perfect book for anyone wanting to work and live at his or her very best [Summary of David Allen & Brandon Hall's The Getting Things Done Workbook](#) Everest Media,2022-10-12T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Our current technological state has made our productivity crisis worse not better We have gotten very good at getting things done but at what cost We are forced to choose between doing anything well and doing everything decently We are being strangled on the vine by our own productivity This book is about setting the record straight about how to do the most important thing we can do spend time on what matters most so that we can get more done with less stress and more peace of mind I am here to help you make a few small shifts that will dramatically increase your ability to get things done while helping you become more effective and efficient at it I know some of you are thinking But I am already doing that or I m exhausted I get it I ve been there Even though most of us have a general idea that we need to be more productive we find ourselves in the same old rut day after day The good news is that when we align our values with productivity we have the power to create a new way of working that will serve us far better than a life spent doing busywork and feeling like we re barely getting by 2 This is not a book meant to be read cover to cover in one sitting It s a reference guide a resource that you can use to continue your work and grow your knowledge of
