Effective Casework Practice An Eclectic Approach:

Effective Casework Practice Joel Fischer,1978 *Social Work Treatment 4th Edition* Francis J. Turner,1996-09-01

Evidence-based Social Work Mel Gray,Debbie Plath,Stephen Webb,2009-05-08 Evidence based practice is now a core element of many governments approaches to policy making and social intervention It has become a powerful movement that promises to change the content and structure of social work and its allied professions Its emergence has generated much debate and raised challenging questions however particularly at the interface of research policy and practice This book provides a critical analysis of evidence based practice in social work It introduces readers to the fast changing research policy legislative and practice context It discusses what constitutes knowledge in social work the values and beliefs that lie behind EBP and problems of implementation formalisation and resource management Reflecting on the challenges of transferring evidence based practice to frontline social work practice the authors argue that social work practice is not easily measured and systematised into best practice guidelines that disseminate proven diagnostic and effective intervention knowledge Using Actor Network Theory for the first time in the social work literature Evidence based Social Work illuminates how adopting the methodology and language of evidence based practice fundamentally alters the conditions under which social work takes place This book is vital reading for academics practitioners and students with an interest in contemporary social work practice and research

The Uses of Writing in Psychotherapy Patricia Kelley,1990 The Uses of Writing in Psychotherapy explores the various ways in which writing can be used to increase the effectiveness efficiency and accountability of psychotherapy Although writing has been used by therapists in many ways over the years and the benefits of writing are mentioned in the professional and popular literature this is the first volume in over 20 years that compares the curative powers of writing across theoretical approaches and with various populations Therapists and scholars from various specialties discuss their views on writing in psychotherapy The term writing covers a wide range of activities including expressive writing checklists and charts letters and art work as well as writings by therapists and clients in session and between sessions There are informative chapters on using writing with special populations the deaf refugee families the elderly and incest victims Aimed at practicing social workers and other psychotherapists seeking new ideas for increasing the effectiveness of their practices this interesting volume is also helpful for therapists in training and as an adjunct text for graduate courses in social work counseling and therapy

Modern Social Work Theory Malcolm Payne,1990-12-07 An examination of social work in both theory and practice The authors present several models relevant to different aspects of social work

Child Protective Services Diane Depanfilis,1995-07 Provides the foundation for casework practice in Child Protective Services CPS Describes the basic stages of the CPS process and the steps necessary to accomplish successfully each stage intake initial assessment investigation family assessment case planning service provision and evaluation of family progress and case closure Designed primarily for

CPS caseworkers supervisors and administrators Glossary Bibliography *The Metamodel of Clinical Social Work* Eleanor Reardon Tolson, 1988-04-20 In developing an eclectic approach to the practice of clinical social work Eleanor Reardon Tolson brilliantly analyzes her unique metamodel for the social worker Firmly grounded in research findings concerning effectiveness the concept is based on major decisions practitioners must make in working with each client the options available to them and the evidence supporting those options Emphasizing such topics as the appropriate focus of treatment its objectives interventions the relationship with the client and the structure of treatment the metamodel has been used by practitioners teachers students and clients with great success The model accomplishes a great deal of problem solving in a short period of time The concept further heightens a practitioner's awareness of a wide variety of prescribed behaviors in an organized and structured manner for highly effective results The Metamodel of Clinical Social Work includes a special chapter written by William J Reid that describes strategies for checking the effectiveness of work based on the metamodel and two case studies

Globalization and International Social Work Malcolm Payne, Gurid Aga Askeland, 2016-04-22 Globalization challenges social work with constant social change making a social worker's job and the task of social work education more complex and uncertain Post modern thinking suggests that social workers must learn to cope with complexity in ways that are in tension with the increasingly managerialist organization of the social services The authors explore and question the concepts of postmodern international and global in light of growing interest in international social work in the early 21st century Emphasizing the importance of critical reflection they argue that educational colonization can be challenged and effective anti discriminatory and pro equality practice and education promoted Each chapter provides direct examples of how students and academics can apply these ideas in practice and in their learning and how they can respond to and influence the challenges and changes that are taking place The authors also examine educational and practice issues arising from attempts to incorporate international understanding into national practice and education systems The book is designed to be stimulating to academics interested in international social work while remaining accessible to practitioners and students without international experience

Strategies for Assessing Organizational Effectiveness in the Public Sector Steven Maynard-Moody, 1981 *The Effectiveness of Social Casework* Joel Fischer, 1976 *Handbook of Empirical Social Work Practice, Volume 2* John S. Wodarski, Bruce A. Thyer, 1998 Covers key social problems and practice related issues The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of

practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume Two covers key social problems and practice related issues including Crime homelessness and unemployment Domestic violence and sexual abuse Family conflict and preservation Practice approaches for older clients Empirically based supervision With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today s clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of Empirical Social Work Practice

Research Methods for Social Work Allen Rubin,Earl R. Babbie,2005 *Handbook of Gerontological Services* Abraham Monk,1985 The Journal of Applied Social Sciences ,2000 **Teaching Research Methodology to Postgraduates** Robert Burgess,1979 *A Quarter-century of Social Work Education* Miriam Dinerman,Ludwig L. Geismar,1984 *Client Socialization* James A. Jones,Abraham Alcabes,1993 Jones and Alcabes consider qualities which must imbue the relationship between individuals seeking help and those professionally trained to respond Discussed are the very real problems facing professionals as well as a 3 stage process for determining the progress of those seeking help *Community Psychiatry* Douglas H. Bennett,Hugh Lionel Freeman,1991 This work presents psychiatry as essentially a branch of medicine looking at the subject from the standpoint of scientific investigation rather than from an ideological or idealistic one The topics covered range from a psychosocial view of depression to residential care Social Work in a Turbulent World Miriam Dinerman,1983
