W., Staff, 1994-04 This unique reference provides detailed bibliographic information on over 60 000 in print books published in or about Australia or written by Australian authors There are also details on the more than 3 000 publishers distributors whose titles are represented as well as information on all trade associations literary awards more
Magic Potions and Elixirs - Recipes and Spells for Kids in Magic Training Catherine Fet, 2020-10-16 If your kid is mixing magic potions in the kitchen sink and they make all the dish soap mysteriously disappear maybe he she is ready for a real textbook on the art of potions and elixirs from a longtime professor at one of the best magic schools in Middle Earth I wrote this book for my course at the North Landing Academy of Magic Arts and it s been recommended for kids ages 7 12 at home magic training These potions and spells are not based on any witchcraft New Age or esoteric religion lore or rituals This book is fantasy fiction style educational activity material for the young fans of Harry Potter Descendants and other books and films of the magic fantasy genre It helps kids engage in fantasy play where they are the main character develop their independent reading habit and grow reading fluency with an easy 1st 2nd grade core vocabulary about reading level 4 learn to organize and plan their own activities in advance by collecting and preparing potion ingredients such as drying flowers or orange peel or collecting rocks The potion recipes and magic spells in this book use only safe everyday objects and substances you have at home or outside like twigs rocks milk sugar salt leaves etc or common fruits and vegetables like cucumber apple or orange Absolutely no use of fire household chemicals or any items you can t purchase at a local grocery In this course we create potions which are not drinks You sprinkle them around the house or outside The only exceptions are a couple recipes from the Kitchen Magic genre for example fresh cucumber and basil enchanted water Along with magic we ll learn a few facts of history and science such as What is the oldest tree in the world Who invented glass windows and what were windows like before glass What is the Archimedes Principle Why don t big heavy ships sink What do salad and salary have in common What is the meaning of Mon in Monday Tues in Tuesday Wednes in Wednesday and so on Who invented paper and what did people write on before paper What is the origin of the words paper book and library What is the alchemical symbol for salt Where do cinnamon and cloves come from What is the Ogham alphabet Who caught the Midgard Serpent And more I will also address the two questions my Magic Academy students ask me most often Are love potions real and Are fairies real I d like to warn you that at the risk of disappointing your child I have to be honest answering these questions since this is a school textbook not a fantasy fiction novel like Harry Potter

Alchemical Potions and Dragon Spells for Kids in Magic Training Catherine Fet, 2021-08-12 Alchemy and Dragons is an

independent reading and fantasy fiction activity book for kids ages 7 11 The reading level is 2nd grade and up My 7 year old son loves magic wands magic spells and stories about hidden treasures and fantastical beasts But he is not much of a reader I wrote this book for him and any kid who likes playing a hero more than reading about heroes Are there dragons haunting your garden or lurking in a scary tree nearby The dragon lore and the potions we make to protect our home from the fire breathing beasts help kids engage in imagination play and become the main character of their own magic fantasy story The book alternates activity making alchemical potions and casting spells with reading pages where we talk about dragons as well as the history of alchemy and science In Alchemy and Dragons I assume that the reader owns a magic wand You can find instructions on making your own magic wand in my book Invincible Magic Book of Spells The magic spells and potions in this book are fantasy fiction material They are not based on any witchcraft New Age or esoteric religion lore or rituals The Alchemy aspect of the book is based on the practical methods of medieval alchemists The only philosophical principle of alchemy mentioned in the book is All From One the divine origin of the world All things come from one source by the will and by the word of the Only One who created it in His Mind from the Emerald Tablet of Hermes Trismegistus The potion recipes use only safe everyday objects and substances you have at home or outside sand rocks rainwater salt leaves We ll distill rainwater with solar distillation using sunlight to warm up and evaporate water We will also learn some facts from the History of Alchemy and answer these questions What is the origin of the words Chemistry Alchemy Laboratory Elixir Gibberish and Spectrum hint Alchemy What is the Philosopher s Stone What kind of monster is a Basilisk and why did people carry a mirror in their pocket in the Middle Ages What are stalactites and stalagmites What is Gothic architecture and what is the origin of gargoyles What are meteor showers and how did ancient people use meteorite rocks How did Newton discover the light spectrum How to make a rainbow with a glass of water and a sheet of paper What is the Emerald Tablet of Hermes Trismegistus and what are the 12 Keys of Basilius Valentinus What is sand and from where do white and black sands come Who was St George and what is the legend about St George and a dragon What physical phenomena did alchemists call a dragon and dragon s blood Why did Vikings have dragon heads on the bows of their ships What is Yggdrasil in Viking mythology and more
