compliment enhance deepen and broaden the reader's existing expertise through an integrative approach which will improve his/her ability to consult design programs and work in a variety of settings with various populations including those with medical and psychological conditions as well as those who wish to support their health and well-being. The book provides the necessary conceptual foundational frameworks for exploring how practitioners in a field of alternative medicine holistic health know what they know in support of their work. These core ways of knowing give them a foundation for evaluating their work, new advances in the field, and affords them interrelated frames of knowledge for their continued research expansion and integrative work in the field. Trained holistic health practitioners who may have applied one or more of these paradigms may now be able to expand their foundational and conceptual base, thereby broadening their theory and techniques that are appropriate to their professional arenas.

Section I is designed to explore general ways of knowing and meaning-making in holistic health. Section II is designed to offer the reader practitioner methodology regarding the creation and implementation of holistic health centers, programs, and integrated consultation practices. Finally, Section III offers examples of integrative holistic health clinicians who combine and synthesize a variety of holistic health approaches and paradigms into their practices as practitioners, healers, therapists, and consultants.

Divine Love Astrology Shiva Das, Mercy Ananda, 2014-10-21

Longtime astrologers Shiva Das and Mercy Ananda take readers through every aspect of astrology from its history, principles, components, and meanings to its use as a tool to raise awareness and to understand possibilities in cause and effect. With nearly 180 black and white illustrations including zodiac primary wheel and sign relationship depictions, *Divine Love Astrology* provides a thorough education in this ancient system. This essential guide embraces the immediate personal and practical applications of astrology and encompasses the broadest philosophical and universal values guiding us from Earthly/mundane to the celestial/Divine. Not only do the authors teach readers the basics of the field, but they also provide them with tools to reflect and develop intuitive understanding that will aid in reading astrology charts and living a conscious life. *Divine Love Astrology* will benefit those interested in becoming astrologers and help them through the use of astrology as a contemplative science develop their intuition. Rather than proposing that we live our lives by astrological events or learn to stereotype people, Das and Ananda help readers get in touch with their inner knowing, enabling them to make conscious choices for themselves in the present. With its spiritual and applicable lens, *Divine Love Astrology* will help both professional astrologers and laypeople alike take charge of their lives from the inside out.
