[More Than Painting](#) Sally Moomaw, Brenda Hieronymus, 1999. Chapters include how to talk with children about their art how to recognize the stages in a child's artistic development and how to discuss ideas with peers to provide even more possibilities in art curriculum from cover. [Artist's Painting Techniques](#) DK, 2016-08-02. Artist's Painting Techniques is your practical guide to learning how to bring out your inner artist with a wide range of painting styles whether you want to learn how to use acrylics watercolors or oil paints. With progression in mind this master class will teach you the basic principles of painting and then inspire you to move on to new challenges and create masterpieces of your own. It explains which tools materials and methods should be used along the way but lets you develop your artistic skills on your own terms rather than providing a series of steps to be followed. Whether you are a beginner wanting to take up a new hobby or an experienced artist who wants to expand your horizons and learn new styles Artist's Painting Techniques will set you on your path to creativity. [Teaching Primary Art](#) Jean Edwards, 2014-06-03. Teaching Primary Art is an introductory textbook for those training to teach and support learning in art in the primary school. The book first explores the underpinning philosophy and pedagogy of teaching and learning art including why we teach it planning and assessment and teaching and support strategies. Then it covers the practical aspects of teaching art including a list of useful vocabulary to encourage talk around art and links to cross-curricular learning.
