First Of Kings:

1&2 Kings Curtis Mitch, Scott Hahn, 2017-10-10 This volume in the popular Ignatius Catholic Study Bible series leads readers through a penetrating study of the First and Second Books of Kings using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch as well as time-tested interpretations from the Fathers of the Church. These helpful study notes provide rich historical, cultural, geographical, and theological information pertinent to the Old Testament book information that bridges the distance between the biblical world and our own. The Ignatius Catholic Study Bible also includes Topical Essays, Word Studies, and Charts. The Topical Essays explore the major themes of 1 & 2 Kings, often relating them to the teachings of the Church. The Word Studies explain the background of important biblical terms, while the Charts summarize crucial biblical information at a glance.

The Historical Books of the Bible: FIRST KINGS Jeanne Gossett Halsey, 2019-09-02 EXCERPT When I read about the mighty King David, now an elderly man with poor blood circulation, see 1 Kings 1:1-3, I immediately remembered my once robust father, Don Gossett, a great man of God in his own right in his latter years, never being quite warm enough. A great warrior, David had famously been, but now old age had caught up to him, and he spent his time covered with blankets and sitting by braziers with his personal nurse assistant, Abishag, devoted to his comfort. The picture told of an infirm man is unmistakable, but it should not be assumed that David was also senile. In his final years, my father's memory made not have been as sharp as it once had been, but he was still wise and filled with the Spirit of the Lord. David may have been physically feeble, but there is nothing to suggest he was past being capable of ruling as the King.

First and Second Kings Terence E. Fretheim, 1999-01-01 Old Testament scholar Terence Fretheim identifies the theology in the dramatic accounts of the books of Kings, which chronicles the reigns of more than forty kings over a period of nearly four hundred years. Interspersing theological reflections throughout, Fretheim traces God's words of judgment and promise for Israel and for us across the entirety of Kings. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

Student Workbook for an Easy Dig Thru 39 Ancient Sites Otto Batty, 2007-07 Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College High School in Portland, Oregon, in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington, in 1969, and a B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington, in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961, while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards, from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't

t do it again or recommend it saying It was chronologically distracting Otto has taught many Sunday School classes to both teenagers and adults This work emerged out of those life experiences The more Otto read the scripture the more he became excited about what he discovered It was quite a surprise to him to learn so many believers had never read the whole Bible through once Filled with a hunger to encourage others to read and find the gems he found in the Scripture in 1985 he wrote and taught this Bible Study with a twist The emphasis is on discovering the gems not theology or doctrine It is fast paced fun and simple Its primary purpose to encourage believers to apply Romans 10 17 faith comes by hearing and hearing by the Word of God
