## First Wife:

**The First Wife** Erica Spindler,2015-02-10 An idealistic young woman marries a man she barely knows only to discover his first wife disappeared under mysterious circumstances Polygynous Marriages among the Kyrgyz Michele E. Commercio,2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio s analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender *Women in Chinese Martial Arts Films of the New Millennium* Ya-chen Chen,2012-01-01 Women and Gender in Chinese Martial Arts Films of the New Millennium by Ya chen Chen is an excavation of underexposed gender issues focusing mainly on contradictory and troubled feminism in the film narratives In the cinematic world of martial arts films one can easily find representations of women of Ancient China released from the constraints of patriarchal social order to revel in a dreamlike space of their own They can develop themselves protect themselves and even defeat or conquer men This world not only frees women from the convention of foot binding but it also unbinds them in terms of education critical thinking talent ambition opportunities to socialize with different men and the freedom or right to both choose their spouse and decide their own fate Chen calls this phenomenon Chinese cinematic martial arts feminism The liberation is never sustaining or complete however Chen reveals the presence of a glass ceiling marking the maximal exercise of feminism and women s rights which the patriarchal order is willing to accept As such these films are not to be seen as celebrations of feminist liberation but as enunciations of the patriarchal authority that suffuses Chinese cinematic martial arts feminism The film narratives under examination include *Crouching Tiger Hidden Dragon* directed by Ang Lee *Hero* Zhang Yimou *House of the Flying Daggers* Zhang Yimou *Seven Swords* Tsui Hark *The Promise* Chen Kaige *The Banquet* Feng Xiaogang and *Curst of the Golden Flower* Zhang Yimou Chen also touches upon the plots of two of the earliest award winning Chinese martial arts films *A Touch of Zen* and *Legend of the Mountain* both directed by King Hu *Zo Chronicles* Khup Za Go,2008 **The Chiefs of Colquhoun and Their Country** Sir William Fraser,1869 **New York Magazine** ,1996-09-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine

s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
