Explaining Irish Democracy:

Explaining Irish Democracy Bill Kissane, 2002 This is a systematic account of why Ireland remained democratic after independence Bill Kissane analyzes the Irish case from a comparative international perspective and by discussing it in terms of the classic works of democratic theory Each chapter tests the explanatory power of a particular approach and the result is a mixture of political history sociology and political science Taking issue with many conventional assumptions Kissane questions whether Irish democracy after 1921 was really a surprise by relating the outcome to the level of socio economic development the process of land reform and the emergence of a strong civil society under the Union On the other hand things did not go according to plan in 1922 and two chapters are devoted to the origins and nature of the civil war The remaining chapters are concerned with analyzing how democracy was rebuilt after the civil war Kissane questions whether that achievement was entirely the work of the pro Treatyites Indeed by focusing on the continued divisiveness of the Treaty issue the nature of constitutional republicanism and the significance of the 1937 constitution Kissane argues that Irish democracy was not really consolidated until the late 1930s and that that achievement was largely the work of de Valera

Ireland and the Freedom of Information Act Maura Adshead, Tom Felle, 2015-11-01 Traces Ireland's introduction of FOI legislation and considers its use and operation from a series of perspectives looking at the Irish experience in a truly international context

Politics in the Republic of Ireland John Coakley, Michael Gallagher, Eoin O'Malley, Theresa Reidy, 2023-08-31 Building on the success of previous editions *Politics in the Republic of Ireland* continues to provide an authoritative introduction to all aspects of government and politics in this seventh edition Written by some of the foremost experts on Irish politics it explains analyses and interprets the background to Irish government and contemporary political processes It devotes chapters to every aspect of contemporary Irish government and politics including the political parties and elections the constitution deliberative democracy referendums the Taoiseach and the governmental system women and politics the position of the Dail and Ireland's place within the European Union Bringing readers up to date with the very latest developments especially with the upheaval in the Irish party system and the implications of recent liberalising referendums the seventh edition combines substance with a highly readable style providing an accessible book that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

Social and Political Foundations of Constitutions Denis J. Galligan, Mila Versteeg, 2013-10-14 This volume analyses the social and political forces that influence constitutions and the process of constitution making It combines theoretical perspectives on the social and political foundations of constitutions with a range of detailed case studies from nineteen countries In the first part leading scholars analyse and develop a range of theoretical perspectives including constitutions as coordination devices mission statements contracts products of domestic power play transnational documents and as reflection of the will of the people In the second part these theories are examined through in depth case studies of the social and political foundations of constitutions in

countries such as Egypt Nigeria Japan Romania Bulgaria New Zealand Israel Argentina and others The result is a multidimensional study of constitutions as social phenomena and their interaction with other social phenomena *The I.R.A. at War 1916-1923* Peter Hart,2003-11-20 Between 1916 and 1923 Ireland experienced rebellion and mass mobilization guerrilla and civil war partition and ethnic conflict and the transfer of power from British to Irish governments The essays in *The I R A at War* propose a new history of this Irish revolution one that encompasses the whole of the island as well as Britain all of the violence and its consequences and the entire period from the Easter Rising to the end of the Civil War When did the revolution start and when did it end Why was it so violent and why were some areas so much worse than others Why did the I R A mount a terror campaign in England and Scotland but refuse to assassinate British politicians Where did it get its guns Was it democratic What kind of people became guerrillas What kind of people did they kill Were Protestants ethnically cleansed from southern Ireland Did a pogrom take place against Belfast Catholics These and other questions are addressed using extensive new data on those involved and their actions including the first complete figures for victims of the revolution These events have never been numbered among the world s great revolutions but in fact Irish republicans were global pioneers Long before Mao or Tito Sinn F in and the Irish Republican Army were the first to use a popular political front to build a parallel underground state coupled with sophisticated guerrilla and international propaganda and fund raising campaigns Ireland s is also perhaps the best documented revolution in modern history so that almost any question can be answered from who joined the I R A to who ordered the assassination of Sir Henry Wilson The intimacy and precision with which we are able to reconstruct and analyse what happened make this a key site for understanding not just Irish but world history **Sinn Fein and the IRA** Mathew Whiting,2018-06-30 Scrutinises the political strategies and ideological evolution of Islamist actors and forces following the Arab uprisings **Catholicism and Fascism in Europe 1918 - 1945** Jan Nelis,Anne Morelli,Danny Praet,2015-05-01 Die im vorliegenden Band versammelten Aufs tze analysieren die vielf ltige Art und Weise wie der Vatikan die nationalen Kirchen und einzelne Katholiken mit dem Aufstieg der extremen Rechten in Europa w hrend der 1920er 1930er und fr hen 1940er Jahre umgingen vom Ende des Ersten Weltkriegs der mit Recht als einer der wichtigsten Katalysatoren des europ ischen Faschismus in der Zwischenkriegszeit gilt bis zum Schluss und zu den unmittelbaren Nachwirkungen des Zweiten Weltkriegs W hrend einige Aufs tze sich auf theoretische methodologische Probleme konzentrieren besch ftigen sich die meisten Beitr ge mit jeweils einem Land oder einer Region wo eine faschistische Bewegung oder ein solches Regime zwischen den Kriegen und w hrend des Zweiten Weltkriegs erfolgreich war und wo es gleichzeitig eine signifikante katholische Pr senz in der Gesellschaft gab Fast ganz Europa wird behandelt ein beispielloses Unternehmen und eine gro e Zahl wichtiger Kontexte und Methoden wird untersucht So wirken die Beitr ge mit an der allgemeinen Entwicklung eines interpretativen Cluster Modells das eine Reihe von Grundmustern der Forschung vereinigt und zuk nftige Untersuchungen anregen wird The papers presented in this volume analyse the many ways in which

the Vatican national Churches and individual Catholics dealt with the rise of the extreme right in Europe throughout the 1920s 1930s and early 1940s from the end of the First World War arguably one of the main catalysts of European interwar fascism to the conclusion and immediate aftermath of the Second World War While a number of papers focus primarily on theoretical methodological issues pertaining to the book's general theme the majority of papers focus on either a country or region where a fascist movement or regime flourished between the wars and during the Second World War and where there was a significant Catholic presence in society The various chapters cover almost the entire European continent an endeavour that is unprecedented and they explore a wide range of relevant contexts and methodologies thus further contributing to the general development of an interpretive cluster model that incorporates a series of investigative matrixes and that will hopefully inspire future research

No Middle Path Owen O'Shea, 2022-10-18 The violence and divisions caused by the Irish Civil War of 1922-23 were more vicious bitter and protracted in County Kerry than anywhere else in Ireland For generations the fratricide murder and executions that occurred there have been synonymous with the worst excesses of the brutality which followed the split over the Anglo Irish Treaty of 1921 In this compelling new history of the conflict in his native county Owen O'Shea offers fresh insights into atrocities such as the landmine executions at Ballyseedy and Knocknagoshel and their cover ups and also the misery and mayhem of the conflict for the wider population The immense trauma and hardship faced by combatants and their families as well as the legacy of ill health and psychological scars left on survivors are explored for the first time Also presented is a catalogue of the intimidation destruction and lawlessness which severely affected civilians who had no involvement in the war but suffered greatly sometimes losing their lives No Middle Path offers an engrossing account of the terrible events in Kerry and their shocking and enduring legacy

Field Day **Review** Seamus Deane, Breandán Mac Suibhne, 2008-03 Talking about contemporary Ireland this work also looks at literary criticism fiction history politics and art

The Emergency Brian Girvin, 2006 Brian Girvin has written a fresh and original history of Ireland between 1939 and 1945 Drawing on new sources and recent scholarship he tells the story of what is known as The Emergency in Ireland but elsewhere as the Second World War Despite Ireland still being a member of the Commonwealth Eamon de Valera refused to join the war against Nazi Germany and declared his country neutral To the endless frustration and anger of Churchill and later Roosevelt de Valera pursued an isolationist policy that changed the course of Irish domestic and foreign politics In this brilliantly argued account Girvin shows how this policy went against the national interest and far from being the only option for the Government was simply the only one they would consider This decision Girvin concludes cost de Valera his ultimate prize a united Ireland Woven into this political maelstrom are the stories of the people who lived through those difficult years Bold fearless and compelling The Emergency is a unique and important addition to any understanding of Ireland and the Second World War

Republicanism in Ireland Iseult Honohan, 2009-03-15 This volume explores the meaning of republicanism in contemporary Ireland While this has often been

identified simply with nationalism the book examines the connections comparisons and contrasts between Irish republicanism and other strands of republican politics the ideology and practice of official French republicanism the broader European and American civic republican tradition and the contemporary revival of this tradition of citizenship Academics from different disciplines along with statesmen and politicians from different political perspectives are brought together to examine the relationship of historical and contemporary Irish republicanism to the wider republican theoretical tradition The book analyzes the variety of and changes in political positions among those parties describing themselves as republican in Ireland in the twenty first century and examines the possible relevance of the ideas of the broader republican tradition for future politics in Ireland in the context of multiculturalism economic globalization and increasing regional and transnational governance It will be essential reading for anyone interested in the ideas at work in the evolution of Irish politics North and South

Politics in Ireland Maura Adshead, Jonathon Tonge, 2009-04 *Politics in Ireland* is the first major text to provide an accessible and systematic analysis of the politics of Ireland North as well as South With the development of a new Northern Irish political system and increasing links across the island the authors argue that the time is ripe to study together the two polities which share so much of a common history but which have had very different evolutions through the 20th century Drawing upon an exceptionally wide range of sources and their own original research the authors deploy a thematic approach to the study of political institutions political behaviour and public policy in both the Republic and Northern Ireland in order to produce a detailed but highly readable assessment of governance and politics in both political systems This approach enables them both to outline the differences and similarities between the polities and to explain how they relate to the wider world in particular to the UK and to Europe

The Civil Service and the Revolution in Ireland 1921-1938 Martin Maguire, 2008-10-15 This book is a history of the Irish civil service and its response to revolutionary changes in the State It examines the response of the civil service to the threat of partition World War the emergence of the revolutionary forces of D il ireann and the IRA through to the Civil War and the Irish Free State Questioning the orthodox interpretation of evolution rather than revolution in the administration of the State it throws new light on civil service organization in British ruled Ireland the process whereby Northern Ireland came into existence the D il ireann administration in the War of Independence and civil service attitudes to the new Irish Free State Based on a wide range of new sources the book is of interest to undergraduate and postgraduate students of Irish Imperial and Commonwealth history and of post colonial governance and political studies as well as a reader with an interest in the role of the State in the process of decolonisation in the 20th century

Preventing the Future Tom Garvin, 2005 Tom Garvin s bestselling and thought provoking book looks at Ireland s public policy from 1920 to 1970 which he argues left large numbers of young people without preparation for life in the modern world

Explaining Irish Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Explaining Irish Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Explaining Irish Democracy has opened up a world of possibilities. Downloading Explaining Irish Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Explaining Irish Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Explaining Irish Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Explaining Irish Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Explaining Irish Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Explaining Irish Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
