- The 'natural English' syllabus strand enables students to integrate natural language into their language framework.
- Students learn to use real language naturally, through thinking and rehearsal time, confidence-building practice, and task-centred speaking.
- The three-stage approach to listening plus regular transcript analysis and integrated pronunciation exercises help students learn to be better listeners.
- Teacher's Book chapters cover teaching principles, techniques, and ideas, plus a selected bibliography.
- Puzzle Books for fun self-study or classroom warmers and fillers.
