Englands Churches:

The Churches of Rome and England compared in their declared doctrines and practices; wherein is shown the disagreement of the two Churches on many of the fundamental articles of Christianity Richard Mant (bp. of Down, Connor and Dromore.),1884 **The Church of England Magazine** ,1850 Report and speeches at the third annual meeting of the Church Pastoral aid Society May 8 1838 *The church as sacred space in Middle English literature and culture* Laura Varnam,2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and fifteenth centuries This book explores what was at stake not only for the church s sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church s status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and profane were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin The Monumental History of the Early British Church John Romilly Allen,1889
