Mind Reading for Network Marketing Keith Schreiter, Tom "Big Al" Schreiter, 2023-03-01 Tired of guessing what our sales prospects are thinking Need a superpower to turbocharge our sales message Serve our prospects better now by mastering the art of mind reading Now we can know exactly what our prospects are thinking and exactly what they want What if we could mentally know what our prospects are going to say so that we are not caught unprepared What if we knew exactly the objections and feelings that hold our prospects back What if we could give our prospects a winning custom solution that fits immediately What if our prospects felt we were a trusted source that helps them instead of a salesperson trying to sell them This is our chance to take our sales message to a higher level where we are talking with the exact conversation that is already in our prospects minds They will love it Instant bonding and rapport Don't waste time on the wrong conversations Now we can save time by engaging with the honest thoughts and feelings of our prospects We know they want what we have to offer All we have to do is talk to the correct conversation they have in their minds Mind reading is not about being psychic or manipulative It's about understanding what our prospects are thinking and helping them achieve what they want Here are the easy tools and techniques to give us this mind reading superpower now **Friend or Fae** Hannah
