Queer and Subjugated Knowledges: Generating Subversive Imaginaries Kerry H. Robinson,Cristyn Davies,Bronwyn Davies,2012 Queer and Subjugated Knowledges generating subversive Imaginaries makes an invaluable contribution to gender and sexuality studies engaging with queer theory to reconceptualize everyday interactions The scholars in this book respond to J Halberstam's call to engage in alternative imaginings to reconceptualize forms of being the production of knowledge and envisage a world with different sites for justice and injustice The recent work of cultural theorist Judith Halberstam makes new investments in the notion of the counter hegemonic the subversive and the alternative For Halberstam

A Roadmap to the Heavens Sigalit Ben-Zion,2009 Description The challenge of this book has been to rethink prevailing ideas about the social map of Jewish society during the rabbinic period in Israel New insights were made possible by using anthropological theories and tools The book explores the rich and complex relationships among the sages priests and laymen who competed in social cultural and political arenas for hegemony It demonstrates that this struggle was not a simple case of displacement of the priestly elite by a new scholarly elite In the process of constituting a counter hegemony of the sages there was a complex push pull process attraction rejection imitation denial and co operation confrontation They undermined the old order by using the old

hegemonic priestly discourse Whereas the sages proposed a new order based on intellectual achievement they nevertheless created on top of the earlier hegemonic order a new order of group nepotism endogamy ritual purity and secret knowledge and education provided only to the proper social classes Ben Zion concludes that even in the process of resistance and disengagement from the priestly hegemony the sages could not free themselves from the bondage of the priestly discourse and praxis
