The Child Soldiers E Braveheart, 2023-03-31 Wherever you re from from whatever background or class no one knows what goes on behind closed doors The trauma and abuse I was brought up with from a young child has made me the person that I am today It is like a branding iron put onto a developing mind The scars you cannot see but dictate my every moment others of you out there will know exactly what I mean I hold no shame for what was done to me as a child It has certainly given me more tolerance for other s situations because of it It has certainly made me more understanding For all my adult life I have suffered from mental health issues as a result This itself has made me more empathetic with others All these poems come from deep within Some written from very dark places others from hope and forgiveness I ve written many poems when I ve had no one to talk to Writing has always been there for me it has always been my friend Forgive those that hurt you for it will only harm you Love and good luck Braveheart

My Life in Poem TaMarra Cooley, 2023-02-09 The title of this book My Life in Poem is an illustration of the various trials I endured from 2018 through March 2020 This book not only details my journey to a place of peace and faith in God but chronicles some of the hardships I had victory over in the process This book shows how I am a living testimony and not tested and moaning I did not run and tell what my children and I endured to social media sites and you still may not capture the wrongs of others in this book That is not the purpose There are books movies and television shows showing how women aEURwho have been rejected and left to carry the family after infidelity rocks their world aEURreact This book gives another option It is not popular and not easy however with determination and being fully reliant on God all things are possible And oh yeah it all works out for my good
