## Getting High:

**Getting High** Edna Erspamer, 2009-05-19 Newly divorced woman seeking adventure and companionship discovers the joy of hiking and climbing with fellow members of the Sierra Club Spurred on by lists of peaks throughout the Southwest and Mexico she takes pride in getting to the top Most satisfying are the companionship and the list finishing parties all inspired by the power of the lists This pastime leads to conquering the high points of the states and various high points around the world Her latest obsession is visiting as many countries as are physically and financially possible At last count she had reached over 200 destinations

**The Girl in the Mirror** Sheila Brooks, 2014-10-27 Sheila did not have what many would consider an easy childhood but through the love and care of her darling Granny Brooks she learned perseverance and to have faith at a young age In *The Girl in the Mirror* Sheila invites you into her life journey from childhood to adulthood She shares her experiences good bad and somewhere in between and how she thought of those occasions at the time as a child teenager and adult She also shares how she was able to change her perceptions of the bad experiences to help her to be a better person Through it all she remains adamant about not allowing unpleasant experiences to prevent her from being whole healthy and successful Ultimately designed to prompt readers to look deeper into their own lives and experiences and look at them in a positive light *The Girl in the Mirror* was created to inform educate and inspire all to become more conscious and to take a deeper look into their lives and the world they live in Through Sheilas journeys readers can draw insight and inspiration on how to take control of their lives and be the great people they were created to be No matter what your challenges the greatest victory is to rise above and claim your most satisfying life

*Positive Psychology* Dr. Agyajit Singh, 2021-01-28 Positive psychology has its origin in the first decade of the twenty first century The present era is full of hustle and bustle tension strains and stresses anxiety conflicts frustration and maladjustment which have made the life of a human being a miserable one Psychology is not limited to the study of human behaviour but its scope has widened to the human welfare Psychologists are trying to make the life of a man mentally healthy happy and worth living Positive psychology is the outcome of all these adversaries which are being faced by a person in these days of fast life and high level competition Researches are being conducted in the areas of psychological well being emotional intelligence locus of control self efficacy and various other topics which are related with the welfare of an individual and which are concerned with his mental and emotional health Positive psychology lays more emphasis on inculcating positive behaviour among human beings Positivity of behaviour means developing positive thinking positive attitude and positive actions The present book **POSITIVE PSYCHOLOGY SOME EMPIRICAL INDIAN STUDIES** has been devised and prepared from this angle The editor of this book has highlighted the research studies of his PhD students who have completed their research projects during the last two decades under his supervision All these research problems are related with the different areas of positive psychology The purpose of this endeavor is to acquaint the readers of this book with the latest researches being conducted in these days in

India Moreover the future research students working in these different areas of Education Psychology and Physical Education will get benefit out of the conclusions drawn in these studies especially in the selection of their research problems Other scholars will also find the recommendations made in these studies useful to them in their lives The editor of this book is thankful to all his PhD students who have permitted him to quote their research findings and bring out their research work in a book form as it has highlighted their genuine work completed under his guidance He will be failing in his duty if he does not thank Mr Chander Mani Gosain Prop Of Friends Publication New Delhi who has attempted to give a beautiful shape to this book The writings of this book will advance the knowledge in the field of Psychology and Education This book is dedicated to all his students and friends who have showered him with their love and affection which is a source of The Art and Science of Portraiture Sara Lawrence-Lightfoot, Jessica Hoffmann Davis, 2002-10-17 The writing is beautiful the ideas persuasive and the picture it paints of the process of careful observation is one that every writer should read A rich and wonderful book American Journal of Education A landmark contribution to the field of research methodology this remarkable book illuminates the origins purposes and features of portraiture placing it within the larger discourse on social science inquiry and mapping it onto the broader terrain of qualitative research *I Wasn't Always A Christian* Johnene Gillespie, 2021-08-03 The reason for this book is to help people who can't help themselves Without God in their lives nothing can be done We have to let his will be done in our lives And we have to have faith and trust God doesn't listen to lip service he listens to our hearts You have to know God and how he works He works in a way that can't be explained He is a wonder he is awesome the great I Am You will probably never be able to explain God so just have faith in him Don't trust man Trust God One thing about God is he makes no mistakes so if you're reading this book it wasn't a mistake it was meant to be written
